

TABLE OF CONTENTS

Introduction	1
<i>Denis Abbott</i>	
Editor's Conference Report	3
<i>James W. Markham</i>	
Bridging the Digital Divide	
Electronic publications and document delivery service in the National Autonomous University of Mexico (UNAM)	7
<i>Margarita Lugo Hupb</i>	
Introduction of Keynote Speaker Meryl Williams	17
<i>Denis Abbott</i>	
The digital divide: your role in bridging the gap in aquatic library services for the disconnected [Keynote]	19
<i>Meryl J. Williams and Choo Poh-Sze</i>	
Regional Collaboration / Networking as a Strategy to Bridge the Divide	
The IAMSILIC Z39.50 Distributed Library: facilitating international resource sharing through linked systems and services	33
<i>Steve Watkins</i>	
Ocean data and information network for the Caribbean and South America region: ODINCARSA	43
<i>Rodney Martínez Güingla</i>	
<u>Latin America / Pacific</u>	
Connecting the South: from the virtual world to reality	49
<i>Marco Antonio Montes Flores</i>	
The CIAD Library in Mexican library networks	59
<i>Magdalena Vallejo-Sánchez</i>	
Aspects of international cooperation in marine research focusing on documentary information resources in South America	65
<i>Guillermina Cosulich and Gabriela Silvoni</i>	
<u>Europe</u>	
EURASILIC ECET Group: people, objectives, projects	79
<i>Olga A. Akimova, Maria Kalenchits and Irakli Goradze</i>	
Digital Divide, Resources and Systems	
The impact of the digital divide on scholarly communication	85
<i>Beth Avery and Virginia Allen</i>	
eJDS – a free e-journal delivery service via e-mail	95
<i>E. Canessa, C. Fonda and Hilda A. Cerdeira.</i>	
E-prints and the Open Archive Initiative – opportunities for libraries	101
<i>Pauline Simpson</i>	
Digital library activities at Scripps Institution of Oceanography Library	113
<i>Peter Brueggeman</i>	
MARC and ARC: geospatially enabling bibliographic records	119
<i>Stephanie Haas, Joe Aufmuth, David Coleman and Eleanor Uhlinger</i>	

BeeBox, OceanPortal, OceanTeacher, and other IOC ventures into new technologies.....	127
<i>Peter Pissierssens</i>	

Research

Research at the University of Wageningen, The Netherlands, and at CIAD Mazatlan, Mexico with regard to fish nutrition.....	139
<i>Armando Garcia Ortega</i>	
Oceanographic studies off Baja California: the IMECOCAL program	141
<i>Reginaldo Durazo</i>	

Information Services

Improving customer services: How do our customers see us?	143
<i>Natalie Wiest</i>	
Facing the emergent digital-informational divide. Informational culture: the case of university library users.....	159
<i>Sonia Alarcón, Isabel Iriarte and Alexandra Smith</i>	
Bridging the language barrier.....	167
<i>Paula Wolfe and Howard Rodriguez</i>	
Repackaging marine and aquatic information for fishermen in Ghana: the way forward.....	169
<i>Mac Anthony Cobblah and Marian Jiagge</i>	
Virgin Islands heritage collection: a global resource sharing model.....	179
<i>Catherine Marsicek and Susan Weiss</i>	
Around the clock, around the world: overview of virtual reference service	185
<i>Jan E. Heckman</i>	
Information resources for marine and aquatic sciences research in Trinidad and Tobago	191
<i>Sharida Hosein</i>	
A slide talk on the traditional trap net fishery for bluefin tuna in Sardinia	197
<i>Peter Brueggeman</i>	
Newsletter production into a marine science portal	199
<i>Beth Avery and Roger J. Kelly</i>	

Virtual Posters: Regional

Information networks in Africa: a collaborative (FAO/SAIAB) project investigating mechanisms of document exchange and the preservation of grey literature	203
<i>V.R. Clark and S.M. Laurie</i>	
Bridging the digital divide: inventory of Internet accessibility of fisheries and aquaculture institutions in Africa	206
<i>Fodé Karim Kaba</i>	

Creation of a library specialized on agricultural and marine sciences at CIIDIR-IPN, Unidad Sinaloa, Guasave County, Sinaloa, Mexico.....	211
<i>Catalina Puente</i>	
Database management system (DBMS) at Mazatlan Academic Unit of ICML, UNAM.....	214
<i>German Ramírez-Reséndiz and Carlos Suárez-Gutiérrez</i>	
Information resource sharing island style.....	216
<i>Jean C. Thoulag</i>	
Virtual Posters: Digital	
Digital services at Maria Elena Caso Muñoz Library, ICML, UNAM	217
<i>Pedro Allende and Clara Ramirez</i>	
The University of Alaska Science Library: a digital information age solution to a traditional problem	221
<i>James H. Anderson</i>	
Digitization of the masters theses and Ph.D. dissertations of El Centro Interdisciplinario de Ciencias Marinas (CICMAR).....	227
<i>Teresa Barriga Ramirez</i>	
Digital library system: bridging the high cost of journals in a developing country	228
<i>Katusca Briones Estébanez and Juan José Nieto</i>	
Digital museum of aquatic organisms of Ecuador.....	231
<i>Katusca Briones Estébanez and Juan José Nieto</i>	
Oceanographic data archaeology: contribution to the preservation of Ecuadorian.....	234
oceanographic research	
<i>Katusca Briones Estébanez and Juan José Nieto</i>	
E-publishing initiatives: Webpage resource	237
<i>Ruth Gustafson and Carolyn Kopper</i>	
Digital library: access system for theses, articles, and books published by	238
CIBNOR students and researchers	
<i>Maria Esther Ojeda Castro</i>	
Virtual Posters	
Unique marine information resources in the University of Hawaii's Pacific.....	239
Collection	
<i>Jane Barnwell</i>	
Classic books of oceanography and marine biology. I. Marine botany.....	240
<i>Janet Webster, Joan Parker and James W. Markham</i>	
List of Registrants	245
